ROTOCON appointed as distributor of DYM Machinery unwinders and rewinders in South Africa

CAPE TOWN, South Africa (October 17, 2024)—ROTOCON is now the official distributor of Chinese engineering company [DYM Machinery](#)'s nonstop unwinder and rewinder machines in South Africa. The partnership was confirmed on DYM Machinery's stand at Labelexpo Americas 2024.

Designed for narrow and mid-web label applications, DYM's portfolio features automatic butt splicers, nonstop cold stamping film systems, nonstop waste matrix collectors, and automatic turret rewinders. With patented tension control technology, their machines handle materials ranging from 25µm plastic film to 600gsm paperboard. DYM machines are compatible with all leading printing presses.

Jesin Wang, DYM Machinery co-owner and global sales director said: "All DYM equipment is developed from a 'technology first' concept, to improve and increase automation to help maximize the efficiency of label presses, improve productivity, and reduce waste. This results in cost and time saving benefits for printers."

Pascal Aengenvoort, sales director at ROTOCON, said: "DYM's nonstop roll-changing solutions are a perfect fit for South Africa's growing print and packaging sectors. We're excited to bring their advanced technology to local converters, boosting efficiency and cutting operational downtime."

About ROTOCON

With headquarters in Cape Town and branches in Johannesburg, Durban, Europe, and Asia, ROTOCON provides tailor-made turnkey solutions for the label printing and packaging industry. Our goal is to learn about your printing environment and recommend the ideal solution to meet your needs.

In South Africa, ROTOCON represents industry-leading brands including Anytron, Domino, DYM Machinery, Erhardt+Leimer, EyeC, MPS, Pantec GS Systems, Phoseon Technology, Rheintacho, Rosas Maschinenbau, Rotocontrol EMT, Screen, UV Ray, VICUT, and Wink. Plus, ROTOCON offers a wide range of ECOLINE and CHROME printing and finishing machines.

On-site installations, training, after-sales service, maintenance, spare parts, consumables, and refurbished equipment are also available through ROTOCON.

ROTOCON is committed to providing exceptional customer service and after-sales support.
